

Santa Claus is Coming To Town

This is the piece that used to drive my brother and me crazy. Every time we would hear Mom play this, we would have to run into the living room to hear it.

Mom used to walk in NY, NY and on the sidewalks would be pianists playing all these pieces. Back then, what you heard is what you bought. They sold copies of their original scores. These Christmas Carol are the original scores. This is old fashion piano. I told MOM that if it doesn't sound just right, I only had 2 out of the 6 pages, so I had to make it up what I remember hearing as a child.
